For example, a map labeling activity might be assessed based on accuracy, neatness, and completeness. Expert Insight: Use diverse assessment methods to accommodate different learners and gather comprehensive insights into student progress.

5. Reflection and Feedback

Teacher's Reflection Post-lesson reflection helps the teacher evaluate what worked well and what needs improvement. Questions to consider include: - Were the objectives met? - Did students participate actively? - What challenges arose? **Student Feedback** Soliciting student feedback through informal discussions or questionnaires can provide valuable insights into their learning experience. **Expert Tip:** Use reflection to continuously refine your teaching strategies and adapt to student needs.
