Corrupted files may fail to open, display errors, or load only partially. These issues often result from interrupted

downloads or storage errors. Verifying file size, checking download completion, and comparing files against official versions can help identify corruption. Re-downloading from a verified source is usually the quickest solution.

Performance and loading problems

Large files may load slowly, particularly on older devices or limited hardware. Compressing Dave Ramsey Chapter 12 Test without sacrificing quality improves performance. Splitting large documents into smaller sections can also enhance navigation and responsiveness.

Annotation and sync issues
