After months of waiting and preparation, Sarah and Michael received a call about a little girl named Lily, who was in foster care due to her biological parents' circumstances. Lily was just over a year old, with bright eyes and an infectious smile.

Using professional conversion tools and reviewing files after conversion helps prevent these issues. Maintaining an original master copy also ensures that users can revert to a reliable version if errors occur.

Handling corrupted or incomplete files

Corrupted files may fail to open, display errors, or load only partially. These issues often result from interrupted downloads or storage errors.
