2. **Launching the Game:** Once ready, they start the Kahoot, which then displays a unique join code on the host's screen.
3. **Player Entry:** Participants open the Kahoot app or go to kahoot.it on their devices, enter the join code, and provide their nickname or username.
4. **Game Begins:** After players join, the host starts the game, and the questions are presented on their shared screen, with players responding on their devices.
