Socioeconomic Disparities

Skill Gaps and Unemployment

The mismatch between skills and industry requirements results in unemployment among youth. Informal employment dominates, often with low wages and job insecurity.

Financial Sector Limitations

Limited access to affordable credit and financial services constrains small entrepreneurs and farmers, hindering enterprise growth and investment.

These adjustments reduce eye strain and accommodate individual preferences or visual needs. Night mode, sepia backgrounds, and brightness controls make long reading sessions more comfortable and sustainable.

Digital copies also reduce physical storage requirements. Instead of shelves filled with books, eBooks are stored digitally, freeing up space at home or in the office. This minimal footprint is particularly beneficial for users with limited space or those who prefer a clutter-free environment.
