Ask and It Is Given Esther and Jerry Hicks: Unlocking the Secrets to Abundant Living When exploring the profound teachings of the law of attraction and personal development, the phrase "*Ask and It Is Given Esther and Jerry Hicks*" often emerges as a cornerstone. Esther and Jerry Hicks have dedicated decades to sharing insights that empower individuals to manifest their desires and live fulfilling lives. Their groundbreaking book, *Ask and It Is Given*, offers practical tools and philosophies rooted in the teachings of Abraham—a non-physical consciousness channeled through Esther Hicks. This article delves into the core concepts of *Ask and It Is Given*, the role of Esther and Jerry Hicks in popularizing these teachings, and how you can apply their principles to enhance your life.

Understanding the Core Principles of Ask and It Is Given

The essence of *Ask and It Is Given* is rooted in the law of attraction—the idea that like attracts like, and our thoughts and feelings shape our reality. Esther and Jerry Hicks

emphasize that by aligning our vibrational state with our desires, we can manifest whatever we want.

The Power of Asking

The first step in manifestation is clarity and intentional asking. According to the Hicks teachings:

1. Be clear about what you want.
2. Focus your thoughts and feelings on your desire.
3. Believe that you can receive it.

Esther often describes asking as a natural, effortless process. When you genuinely want something, your inner being (or higher self) responds by aligning your vibration with that desire.

The Importance of Receiving

While asking is vital, receiving is equally crucial. The Hicks believe that many people struggle with allowing their desires to manifest because they block the flow of abundance through negative thoughts or resistance.

1. Trust that your desire is on its way.
2. Maintain a positive expectation.
3. Practice feeling good and being in a receptive state.

The Law of Attraction in Action

The law of attraction operates continuously. When you focus on what you want, your vibrational energy attracts similar energies into your life. The Hicks teach that:

1. Your thoughts are like magnets.
2. Your feelings are the indicators of your vibrational alignment.
3. Consistent positive focus accelerates manifestation.

Ask and It Is Given Esther and Jerry Hicks: An In-Depth Investigation into the Law of Attraction and Its Promoters

Introduction

In the realm of self-help and spiritual development, few works have garnered as much attention and controversy as *Ask and It Is Given* by Esther and Jerry Hicks. Published in 2004, this book has become a cornerstone for proponents of the Law of Attraction—a concept suggesting that positive or negative thoughts can bring corresponding experiences into one's life. While many readers report transformative benefits, critics question the origins, authenticity, and scientific validity of the teachings. This article aims to provide an in-depth examination of *Ask and It Is Given*, exploring its core principles, the background of Esther and Jerry Hicks, the philosophical underpinnings, and the

ongoing debates surrounding its claims.

The Origins of Esther and Jerry Hicks

Who Are Esther and Jerry Hicks?

Esther and Jerry Hicks are the primary figures behind the teachings encapsulated in *Ask and It Is Given*. Esther Hicks claims to channel a group of non-physical entities known as "Abraham," who communicate spiritual wisdom through her. Jerry Hicks, her husband, was a businessman and speaker who collaborated with Esther in disseminating these teachings.

Esther Hicks describes her experiences as a channel for "Abraham," emphasizing that her role is to convey the non-physical entities' messages to human audiences. The couple's work gained popularity through seminars, books, and recordings, positioning themselves as modern-day spiritual guides.

The Channeling Phenomenon

Channeling—a practice where individuals claim to communicate with spirits or non-physical entities—has a long history across cultures. Esther Hicks' channeling of Abraham is part of this tradition, but it has also been subject to skepticism and criticism. Proponents argue that channeling provides access to higher wisdom, while skeptics view it as a psychological phenomenon or even deception.

Core Principles of Ask and It Is Given

The Law of Attraction Explained

At the heart of Ask and It Is Given lies the Law of Attraction, which posits that "like attracts like." According to this principle, thoughts are like magnets that draw similar energies and circumstances into one's life. Positive thoughts attract positive outcomes, whereas negative thoughts attract undesirable situations.

The Process of Manifestation

The book emphasizes that individuals are inherently capable of manifesting their desires by aligning their thoughts, feelings, and beliefs with their intentions. The authors suggest a step-by-step process:

1. Clarify your desires: Be specific about what you want.
2. Focus on positive thoughts: Maintain a mindset of abundance and gratitude.
3. Feel good: Cultivate emotions that resonate with your desires.
4. Allow the manifestation: Trust that the universe will deliver.

The Role of Emotional Guidance

A significant aspect of the teachings involves emotional guidance as an indicator of alignment. The authors introduce

a "Vortex" concept—a metaphorical space where desires manifest when one is in harmony with their true self. Emotions such as joy, love, and excitement signal alignment, whereas frustration, anger, or despair indicate resistance.

Techniques and Practices

Ask and It Is Given offers practical exercises, including:

1. Visualization: Imagining oneself experiencing the desired outcome.
2. Affirmations: Repeating positive statements.
3. Meditation: Quieting the mind to enhance receptivity.
4. Listing positive aspects: Focusing on what is good in life to attract more abundance.

The Philosophical and Theological Foundations

The Non-Physical and the Infinite

The teachings often describe the universe as a non-physical, infinite consciousness from which all things emanate. The law operates constantly, regardless of individual awareness or belief.

The Creative Process

According to Abraham, human beings are creators with the power to shape their reality through their thoughts and feelings. The process involves aligning oneself with the

"Vortex" where all desires are already present in potential.

The Power of Belief and Expectation

Belief systems are viewed as critical. Limiting beliefs act as resistance, preventing manifestations, while empowering beliefs facilitate manifestation.

Criticisms and Skepticism

Scientific Validity

Many critics argue that *Ask and It Is Given* offers no empirical evidence supporting its claims. The Law of Attraction, as presented, lacks scientific backing and is often dismissed as pseudoscience.

Psychological Perspectives

Psychologists suggest that the teachings may promote confirmation bias—where individuals focus on evidence that supports their desires and ignore contrary information. Some also argue that the emphasis on positive thinking can lead to victim-blaming, ignoring systemic issues.

Authenticity of Esther's Channeling

Skeptics question whether Esther Hicks genuinely channels non-physical entities or if her experiences are psychological phenomena, such as dissociation or subconscious processing.

Potential for Exploitation

Critics warn that some individuals may become financially or emotionally dependent on these teachings, leading to exploitation or disillusionment.

The Cultural Impact and Legacy

Popularity and Adoption

Despite criticisms, *Ask and It Is Given* has influenced countless individuals worldwide. Its teachings have permeated popular culture, inspiring workshops, coaching programs, and online communities dedicated to the Law of Attraction.

Influence on Modern Self-Help Movements

The book's emphasis on the power of thoughts aligns with broader self-help trends emphasizing mindfulness, positive psychology, and personal empowerment.

Notable Endorsements and Criticism

Prominent figures in the spiritual and self-help communities have praised the book for its clarity and motivational power. Conversely, skeptics have labeled it as pseudoscientific and potentially dangerous if taken as absolute truth.

Practical Considerations and Responsible Use

While many find value in the practices proposed by Ask and

It Is Given, experts recommend approaching such teachings with discernment:

1. Use visualization and positive thinking as tools for motivation.
2. Maintain critical awareness of the lack of scientific validation.
3. Recognize the importance of practical action alongside spiritual practices.
4. Be cautious of financial commitments and overly optimistic promises.

Conclusion

Ask and It Is Given by Esther and Jerry Hicks stands as a pivotal work within the Law of Attraction movement, blending spiritual philosophy with practical exercises aimed at manifesting desires. Its teachings have inspired millions but have also sparked significant controversy regarding their scientific validity and ethical implications.

Whether viewed as a profound spiritual guide or a pseudoscientific philosophy, the book's influence is undeniable. Its core message—that thoughts and feelings have the power to shape reality—resonates deeply with those seeking empowerment and purpose. However, critical analysis underscores the importance of balancing such teachings with rational inquiry and practical action.

As with any spiritual or self-help resource, readers are encouraged to explore Ask and It Is Given with an open mind, a discerning attitude, and an awareness of its limitations. In doing so, they can harness its motivational aspects while maintaining a grounded perspective on reality.
