Origins and Evolution of Leatherwall

The Birth of a Community

Leatherwall was founded in the early 2000s, emerging from the broader online archery forums that proliferated as internet usage expanded. Its roots trace back to the desire of traditional archers to create a dedicated space—an online "leatherwall"—where they could share knowledge, troubleshoot, and celebrate their craft away from the commercial focus of modern compound archery. Initially, Leatherwall operated as a subsection of larger archery forums, but its passionate user base soon

warranted a standalone presence. The site's name, evocative of traditional bow-making materials and the rustic ethos of archery, resonated with its target audience.
